OFFER ENDS APRIL 30, 2023

*The promotion begins on February 9, 2023 and ends on April 30, 2023. To qualify for this promotion, orders must include at least one Sub-Zero, Wolf, or Cove appliance to which the Factory Certified Installation (FCI) must be added. Qualifying orders are eligible for a rebate equivalent to the sales tax on all Sub-Zero, Wolf and Cove products and accessories listed on the order. Sirius products are also eligible for the aforementioned rebate as long as at least one Wolf full-size appliance is included in the same order. Outlet store products will not count as fulfilling a product requirement and will not benefit from any additional rebate. Factory Certified Installation (FCI) will automatically be added to every purchase. If the delivery address is located outside the FCI coverage area, the rebate on the final product selection will be adjusted to 6%. The promotional rebate will not apply to Wolf Gourmet products, Factory Certified Installation, Delivery and Services. All qualifying products must appear on the same invoice and be delivered to a single dwelling. Products must be delivered and installed in Ontario, Quebec or the Atlantic provinces. The promotion cannot be combined with other promotions. The rebate before applicable taxes will be automatically deducted from MVP pricing, on a line-item basis. This offer may be cancelled or modified at any time and without prior notice. See stores for details.
